Dear John,

After we spoke today I spoke to the magazine that has the full record of my relationship I wrote some time back for future use. They were luke warm so I asked for it back.

Just got home. Have packages to make, mail to answer. I meant with Tuseel in the above graf.

Here are copies of Whitewash IV and Frame-Up. They'll go out in tomorrow's mail, special handling. The total cost ~~me~~ is \$16.75.

If you do not have Oswald in New Orleans, when the copy I've loaned out for xeroxing is returned - if it is - I'll lend it to you for that. The rate of return has been discouraging.

Looking forward!

Harold Weisberg
